Hi Adam and David,

FYI, I cannot participate in a tour on the date the Tribe requested. I don't think there's a need for attorneys anyway.

Best,

Josh

Subject: Leviathan Mine Site Tour with Washoe Tribe

Mr. Halsey and Mr. Brown,

Concerning the request from the Washoe Tribe for a tour of the site, the tribe has now requested the tour to be held on **Friday, September 29**.

The tribe's stated objective for the tour is as follows:

We would invite the entire Tribal Council to attend as well as the Environmental staff. The concerns are the increase in run off last year filling all the ponds and now slow to dry out in

order to remove sludge, getting ready for another potentially large water year, lack of treatment for over flow due to high water year, potential landslides, etc.

Please let me know of your availability for September 29 and your thoughts for the agenda.

Thank you,

Dana
